

UTW—As Historians we will...

Explore and compare the similarities and differences of transport from the past up to our modern day. We will look specifically at steam trains and high speed trains of today.

Explore google maps.

UTW—As Scientist we will...

Explore different types of transport and places and discuss which is the best type of transport for each journey.

PSED—In Jigsaw we will...

Explore the theme, 'Changing Me'.

In Expressive Art and Design we will ...

Draw a steam train following instructions with Rob Biddulph.

Explore and use a range of materials to create models.

Make a papier mache hot air balloon to transport a teddy in .

Listen to and sing songs such as 'The Wheels on the Bus' and 'Row Row Row Your Boat'

Key Vocabulary

similarities, differences, explore , long ago, today ,
transportation. automobiles, high speed, steam,
electric, fuel, Globe, maps, local area

EYFS Summer 2 2022

Where shall we go to?

In Physical Development we will

Develop fine motor skills using scissors and tools in the creative and dough areas and practise our letter formation.
Practise team sporting activities and take part in our school sports day

Literacy— As Readers we will...

Take part in daily Read, Write Inc. sessions.

Read fiction and non-fiction texts linked to our transport theme such as 'The Train Ride' and 'The Snail and the Whale'.

Literacy—As Writers we will...

Write captions and simple phrases about where we would like to travel to and how we would get there.

Maths—As Mathematicians we will...

Use the rekenrek to subitise numbers within 10 and to count confidently up to 20.

Represent patterns within numbers including odds and evens.

Consolidate our knowledge of number bonds to 10 using our 10 frames.

In Communication and language we will...

Use an imaginary magic carpet to encourage discussions as we think about where we could travel to and think about all the things we might see along the way.
