

Writing Challenge

'The icy waves crashed onto the deserted beach and a wild wind swept across the sand. In the distance, I could see a tiny boat bobbing closer and closer to the shore.' Continue the story and tell your reader what happens next!

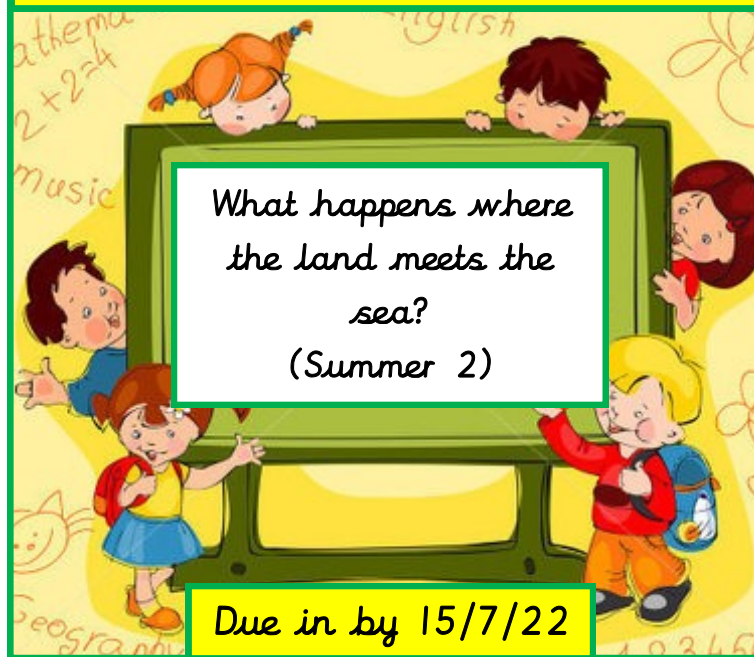

Maths Challenge

How many 3D shapes can you spot all around you in a supermarket? What different shaped packaging can you find? Draw the examples you find and label the shape with its name.

Theme Challenge

How many seaside places can you find on a map of the UK? Choose one place to research and write a fact file about it.

Year 3 Home School Challenge

Science Challenge

Make an information poster that shows all the different uses of rocks in every day life.

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

Lifeboats Research It!

Do you know how to keep safe on the beach? The RNLI try to help us with this. Complete the flag activity to find out how they let us know about beach conditions.

Listen to It

'Fingal's Cave' is a famous piece of music by Felix Mendelssohn. Listen to it on YouTube and write a review. <https://www.youtube.com/watch?v=CtJkEWCQEbE>

Cook It!

Lots of people enjoy fish and chips when they visit the UK coast. Cook a fish or seafood dish you enjoy and send us a photo!

Create It!

Find a large rock or pebble. Paint it with a colourful pattern or turn it into a rock pet!
