

As Scientists we will...

Investigate different types of teeth and their function.

Learn about the digestive system and what happens to our food once it has been eaten.

Construct and interpret food chains.

Key Vocabulary

Romans invaded Britain
army
Julius Caesar Claudius
Roman Empire

As Readers we will...

Read and explore a wide range of texts including fiction, non-fiction and picture books. Develop our comprehension skills by using evidence from the text to support our predictions, opinions and answers.

As Writers we will...

Write stories which explore character relationships. Create some poetry and learn poetry for performance. Develop our skills and techniques when writing explanation texts.

As Historians we will...

Explore conflict, settlements and society during the Roman era. We will know about the wars the Romans had in order to gain power and the battles and conflicts they fought in order to protect and expand their empire. We will learn about Roman settlements in Britain and how this changed society.

In Jigsaw we will...

Explore 'Being Me in My World'.

In the Arts we will...

Use pencil sketching skills to draw Roman architecture and develop our brush skills to paint our drawings.

In Music we will...

Learn how to play the glockenspiels

Year 4 - Autumn 1 2022

Were the Romans Really Rotten?

As Mathematicians we will...

Develop our knowledge of place value and recognising what each digit in a number represents. Solve problems using the four operations. Practise all multiplication and division facts for the 3, 6 and 9 times tables.

In RE we will...

Explore the question, 'What does it mean to belong to a faith?'

In PE we will...

Develop our hockey skills and improve our stamina.

In Computing we will...

Develop our awareness of how to protect ourselves online and use the internet responsibly. We will use algorithms to programme an animated scene using the Scratch programme.
