

As Historians we will...

learn what the term 'prehistoric' means and how it represents a time before written language was used and recorded. Explore prehistoric Britain's place on an historical timeline. Recognise that historians have to infer what life in prehistoric Britain was like through the study of artefacts. Use artefacts to make our own inferences about the past.

As Scientists we will...

look closely at flowering plants, including describing the functions of different parts and exploring what different plants need for life and growth. We will also investigate water transportation.

As Mathematicians we will ...

develop our knowledge and understanding of three digit numbers, including how these can be represented, compared and ordered in a variety of ways. We will also continue to develop our skills with the formal written methods for all four operations.

In Jigsaw and PSHE we will...

explore the theme 'Being Me in My World'.

Key Vocabulary

prehistoric	BC	AD
hunter	gatherer	settlement
ancient	civilisation	Stonehenge

Year 3– Autumn 1 2023

Who first lived in Britain?

In RE we will ...

explore the question, 'Why remember?'

In PE we will...

develop our invasion game skills and our stamina.

As Readers we will ...

read whole class texts together. Develop our understanding of how authors use language as well as discussing themes and characters' thoughts and feelings. We will also be completing our reading journals at home, aiming to read as often as possible.

As Writers we will ...

plan and write our own historical stories, and develop our report writing skills. We will also explore different forms of poetry. Alongside this, we will be continuing to learn and apply spelling, punctuation and grammar rules and strategies.

In the Arts we will ...

develop our printing skills in order to produce cave paintings in the style of the Stone Age. Use a variety of instruments to create our own musical compositions to describe a Stone Age hunt.

In Computing we will...

develop our own algorithms for a specific programme. Learn how to protect our personal information online. Use basic word processing and formatting skills to create our own presentation about Skara Brae.
