

Writing Challenge

Imagine you were born during the Viking Age. Write a diary entry about a day in your life and experiences as a Viking warrior, settler or merchant.

Maths Challenge

Can you create an information poster about fractions? Explain what a fraction is and draw a range of pictures representing one whole, one half, one quarter, three quarters, one third, one fifth and one tenth.

Theme Challenge

Research a Viking god or goddess and create a fact file about him or her. Remember to include their picture drawn by you.

Year 4 Home School Challenge

Were the Vikings vicious?

Due in 26.5.23

Science Challenge

Create a three question quiz about conductors and insulators.

Which one of these is a conductor?

wooden spoon

house key

piece of paper

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

Draw It!

Imagine you were asked to produce a portrait of a Viking warrior. Draw one in your book paying attention to detail.

Cook it!

Research into the food the Vikings ate and recreate a dish they would have eaten. Take photographs of it to show your peers.

Research it!

York was an important place for the Vikings. Research and record three interesting facts about Viking York.

Make it!

Discover more information about Viking shields. Make a model of one to show what they looked like.
