

As Historians we will ...

be exploring conflict and settlements during the Anglo Saxon era. Children will know about Anglo-Saxon tribes spread across Britain. They will learn about Anglo-Saxon settlements in Britain and how this changed society. Children will make links with prior learning about conflict in Britain and further develop their understanding of the impact of invasions and settlements. They will learn about the significance of kennings, jewellery and feasting in Anglo Saxon society.

Key Vocabulary

Kingdoms archaeologist tribe society
Sutton Hoo conflict settlements
states of matter solids liquids gases
solidify heating cooling oxygen
change melt evaporate
evaporation condensation

As Readers we will ...

clarify new words, make predictions and summarise what we have read. Ask and answer questions about our class novel, develop fluency and expression. We will read books by a selection of authors and develop our love of reading.

Year 4- Spring | 2023

Anglo-Saxons

Heroes or villains?

As Scientists we will ...

identify states of matter: solids, liquids and gases. We will explore how heating and cooling can change a material's state. We will develop our investigation skills by carrying out experiments.

In Jigsaw and PSHE we will ...

explore the theme 'Dreams and Goals'.

In Art we will ...

create our own sculptures based on Anglo-Saxon architecture.

In RE we will ...

find out what makes a saint and explore the lives of inspiring people.

In PE we will ...

increase our stamina and further develop our teamwork skills.

As Mathematicians we will ...

solve multiplication and division problems for the 3, 6 and 9 times tables, exploring new vocabulary: factors and products.

Develop our understanding of the 7 times table and explore patterns and relationships.

In Computing we will ...

develop our understanding of e-safety and find out how our identity online can be copied, modified or altered.

We will develop our coding skills to create a Music Machine on Scratch.
