

As Mathematicians we will...

Begin to investigate fractions greater than one.
Continue to develop our knowledge of time.
Investigate symmetry in 2D shapes.
Be able to divide with remainders.
Keep practising all of our times table facts.

Key Vocabulary

Alfred the Great,	Northumbria
Battle of Hastings	Scandinavia
The Danelaw	long ship
King Cnut	raids
Lindisfarne	Wessex

As Readers we will...

Clarify new words, make predictions and summarise what we have read.
Ask and answer questions about our class novel.
Complete our Reading Bookmarks at home, reading as often as possible.

Year 4 - Summer | 2023

Were the Vikings vicious?

As Historians we will...

Compare Viking methods of exploration to Anglo Saxons, Romans and Celts.
Understand the significance of the Anglo Saxon kings during the Viking period.
Know the Viking kingdoms and what daily life was like.
Know about key figures from the Viking times focus on King Cnut

As Writers we will...

Investigate stories that contain historical events.
Explore a range of Myths and Legends to inspire us to write our own.
Write recounts, arguments and image poetry

As Scientists we will...

Continue to develop our understanding of scientific discoveries linked to electricity and how these have had implications on science and technology today.
Perform tests and make observations, whilst investigating electricity in everyday life.
Use our understanding to make predictions.

In the Arts we will...

Investigate drawing and explore different 3D making skills.
Continue to refine our skills on the glockenspiels.

In PE we will...

Practise our skills and tactics in striking, fielding and competitive games

In RE we will...

Explore the question 'What do religions teach about caring for our world?'

In Jigsaw we will...

Explore the theme 'Relationships'.

In Computing we will...

Investigate different ways to deconstruct in programming. Continue to consider how we use the internet safely and respectfully.
Discuss staying safe online by learning how to download responsibly and protect our devices from harm.
