

AUTUMN 1 2025

In maths this half term the children have explored place value up to 1,000,000 and began looking at long division and long multiplication.

In guided reading this half term, children have been reading London Eye Mystery to develop their comprehension skills.

In art, children have explored Manga style portraits. They have looked at specific features of manga portraits and explored shade and light.

In PE, children have developed skills in netball, including, different types of passes and various footwork techniques.

We know how important it is to be 'in school, on time, everyday' and we are keen to complete our whole class jigsaw picture by achieving at least 96% attendance each week!

YEAR 6 TAWNY OWLS
