

SUMMER 2 2025

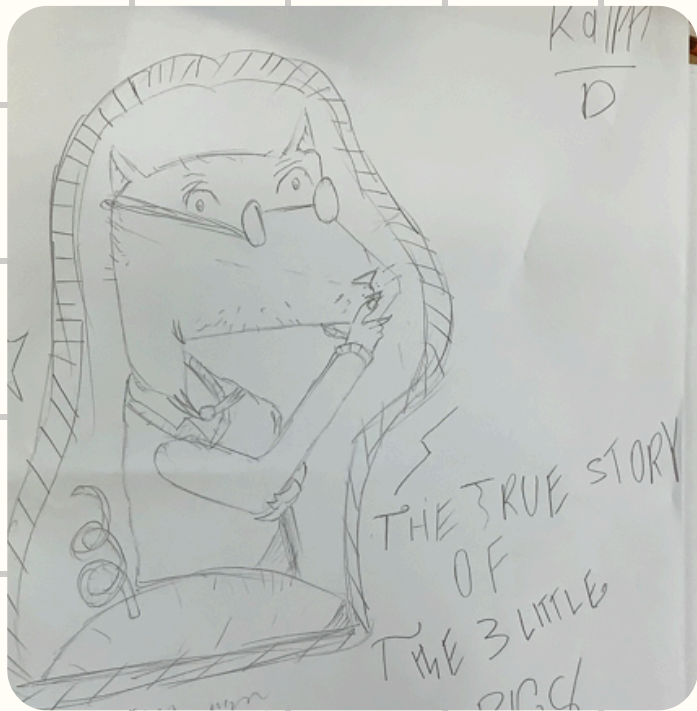

In Art we have been appraising lots of different artists. This work is based on the artist Charlie Mackesy. We have also explored how colour can reflect emotion.

In Maths we have been looking at long multiplication. We have been multiplying 3 digit numbers by a single digit and 2 digit numbers. We used place value mats to help us explore this concept.

In Geography we have been exploring Mexico. The children did lots of research to discover where different bodies of water that surround Mexico. We used an atlas and maps to locate Mexico's major cities.

We have based our writing this term on, 'The True Story of the 3 Little Pigs'. The children have been writing to entertain and they have written some fantastic alternative endings to the story, such as the Wolf escaping from jail.

We took a whole class trip to Connexin Live to perform our annual glockenspiel performance. We have been practising all year for this! We had a fantastic time and it was brilliant to see all the other schools come together and perform with different instruments!

NIGHTINGALES
