

### As Mathematicians we will...

explore fractions, in particular tenths and hundredths. We will also practise adding and subtracting fractions, as well as calculating fractions of particular quantities and identifying equivalent fraction families. Alongside this, we will explore measurement through perimeter, how to calculate the area of rectilinear shapes and consolidate our knowledge of money. We will also continue to practise all of our times table facts.

### As Historians we will...

compare Viking methods of exploration to Anglo Saxons, Romans and Celts. We will understand the significance of the Anglo Saxon kings during the Viking period. We will also learn the Viking kingdoms and what daily life was like. # Know about key figures from the Viking times focus on King Cnut.

### In the Arts we will...

investigate drawing and explore different 3D making skills. We will also continue to refine our skills on the glockenspiels.

### In French we will...

learn familiar activities that we are able or are not able to do in French. Alongside this, we will be using the negative form, allowing us to build more interesting sentences.

## Key Vocabulary

Alfred the Great, Battle of Hastings	Northumbria
The Danelaw	Scandinavia
King Cnut	long ship
Lindisfarne	raids
	Wessex

### As Readers we will...

read and explore a wide range of texts including fiction, non-fiction and poetry. Alongside this, we will clarify a wide range of vocabulary to support our understanding of the texts read. We will also develop our comprehension skills by using evidence from the text to support our answers.

### As Writers we will...

investigate stories that contain historical events. Explore a range of Myths and Legends to inspire us to write our own. We will also write recounts, arguments and image poetry

### As Scientists we will...

develop our understanding of scientific discoveries linked to sound and how these have had implications on science and technology today. We will perform tests and make observations, whilst investigating sound in everyday life. We will also use our understanding to make predictions.

### In Computing we will...

investigate different ways to deconstruct in programming. We will continue to consider how we use the Internet safely and respectfully. Discuss staying safe online by leaning how to download responsibly and protect our devices from harm.

Year 4 - Summer 1 2024

*Were the Vikings vicious?*

### In PE we will...

practise our skills and tactics in striking, fielding and competitive games.

### In RE we will...

explore the question 'What do religions teach about caring for our world?'

### In Jigsaw we will...

explore the theme 'Relationships'.
