

Writing Challenge

Can you imagine you are a Viking settler? Write a recount about your journey across the North Sea. You could describe the boat, the weather and your travelling companions.

Maths Challenge

Can you create an information poster about fractions? Explain what a fraction is and draw a range of pictures representing one whole, one half, one quarter, three quarters, one third, one fifth and one tenth..

Theme Challenge

Can you research a Viking god or goddess and create a fact file about him or her? Remember to include their picture drawn by you.

Year 4 Home School Challenge

Were the Vikings vicious?

Science Challenge

Create a three question quiz about sound.

French Challenge

Make a list of fruit and vegetables you like and record their names in French.

Complete all of the tasks in the speech bubbles.

Due in by 20.5.24

Choose 2 or more of the blue tasks to try at home.

Research it!

York was an important place for the Vikings. Research and record three interesting facts about Viking York.

Cook it!

Research into the food the Vikings ate and recreate a meal they would have eaten. Take photographs of it or draw it to show your class.

Design it!

Design a suitable packaging for your electrical system game.

Make it!

Discover more information about Viking shields. Make a model of one to show what they looked like.
