#### As Mathematicians we will...

learn how to add and subtract up to 3-digit numbers using written methods.

We will develop our understanding of the inverse relationship between addition and subtraction, and how both relate to the part-part-whole structure.

We will also continue to practise the 10, 5, 2, 4 and 8 multiplication tables and related division facts.

#### As Historians we will...

learn about the Ancient Egyptian civilization c. 310BC-332BC and their achievements as one of the earliest civilisations in World history.

We will learn where the Ancient Egyptian civilization grew and explore the characteristic features of Ancient Egyptian society. We will use a variety of sources including artefacts to explore Ancient Egyptian beliefs, food and farming methods.

#### In the Arts we will...

explore and evaluate a variety of mechanical systems for lifting to investigate how the Ancient Egyptians may have built pyramids.

We will listen to and appraise Latin and world music.

# Key Vocabulary

ancient empire irrigation

mummification tombs

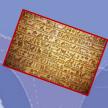

pharaohs Gods

hieroglyphics Goddesses

# Year 3 - Summer 2024 Walk Like an Egyptian!

#### In French we will...

orally learn the names of various fruits and understand how to write them correctly.

## In PE we will...

practise our skills and tactics in striking, fielding and competitive games.

#### In RF we will...

explore the theme 'What makes a place sacred?'

### In Jigsaw we will...

explore the theme 'Relationships'.

#### As Readers we will...

read whole class texts together and develop our understanding of how authors use language as well as discussing themes and characters' thoughts and feelings.

We will also be completing our reading journals at home, aiming to read as often as possible.

#### As Writers we will...

plan and write subverted fairy tales and Free Verse poems. We will also explore and write journalistic articles.

Alongside this, we will be continuing to learn and apply spelling, punctuation and grammar rules and strategies.

#### As Scientists we will...

learn that we need light in order to see things and that dark is the absence of light. We will notice that light is reflected from surfaces. We will recognise how shadows are formed and investigate patterns in the way that the size of shadows change.

# In Computing we will...

use desktop publishing software to create a magazine cover template, focussing on font size, colour and type and images. Continue to learn how to behave safely and respectfully online.
