

Writing Challenge

Create an acrostic poem for 'Sustainability'. For example. 'S is for Saving the planet for future generations', 'U is for ...'

Maths Challenge

Choose 5 food items. Identify the country each item has come from. Use Google to help you work out how many food miles your item has travelled.

Geography Challenge

If you could only make ONE major change to improve your local area, what would it be and why?
Is it sustainable?

Year 6 Home School Challenge

Waste Not, Want Not

(Summer 1)

Science Challenge

In Science, we will be exploring light. Can you research and create a fact file about the person who invented the light bulb?

Complete all of the tasks in the speech bubbles.

Choose 2 or more of the blue tasks to try at home.

Due in by 24.05.24

Sing It!

Create a catchy song to remind people to reduce, reuse and recycle.

Express It!

How can you depict 'Waste Not, Want Not' without using words. You might use images, a mime or dance.

Design It!

Design a sustainable house, considering its energy efficiency, water supply and waste disposal.

Make It!

Create a bug hotel in your garden using natural materials. After opening your hotel, watch carefully to see who checks in!
