

# SUMMER 1 2025

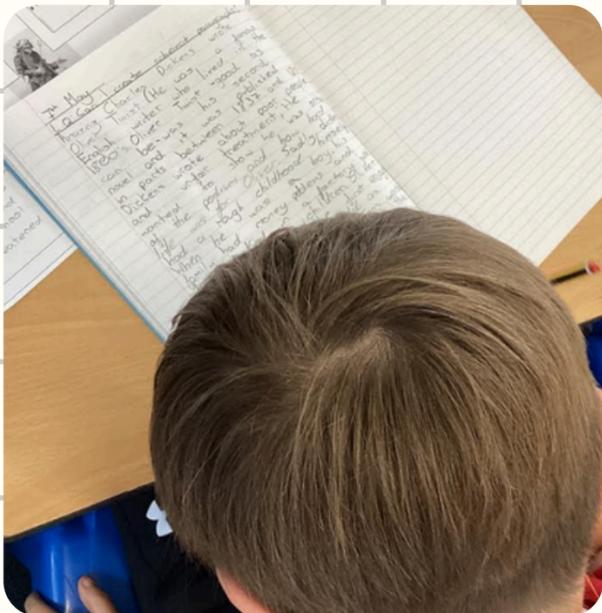

To celebrate all their hard work, the Barn Owls wrapped up the half-term with an exciting sport-a-thon filled with energy and fun!

In Art, Barn Owls have developed their sketching, shading, and observational drawing skills using characters from Oliver Twist as inspiration.

Over the half term, we have had lots of opportunities to practice our reasoning skills. We had quizzes, scavenger hunts and practical games to help revise key topics.

In Writing, we have been studying Oliver Twist. We've explored the main characters and gained a deeper understanding of life in Victorian Britain.

We loved meeting the HKR players.

# YEAR 6 BARN OWLS
