

# SPRING 2 2025

We have been adding and subtracting two digit numbers, finding fractions and learning the value of different coins.

We have been exploring the story *Whatever Next!* We have written our own recount of the story and learnt the spelling rules for the suffixes -ly and -ed.

In Science We have explored what a healthy plant looks like and what keeps a plant healthy. We also conducted a special experiment to test our findings,

We have really enjoyed our PE session with Jack from Hull KR. We have learned different jumps, rolls and balances.

We had a fantastic visit from Ladies in Pigs.

We learned all about where our food comes from and made a delicious sausage roll!

# YEAR 2 OTTERS
