

SPRING 2 2025

We have enjoyed our focus text 'Whatever Next' and learned some ways to recall the story. Hot seating was one of them!

We have been superstars in our gymnastics PE lessons with some amazing HKR coaches teaching us.

In design and technology we designed a bookmark and then practice a running stitch to decorate it.

We used our, *don't give up* learning muscles a lot when sewing.

We have used lots of skills needed to be scientists this term. Our focus has been about plants.

The Stoat's have engaged well with Judo Pete's Judo lessons.

All of the children have shown a positive, can do attitude.

YEAR 2 STOATS
