

# SUMMER 1 2025

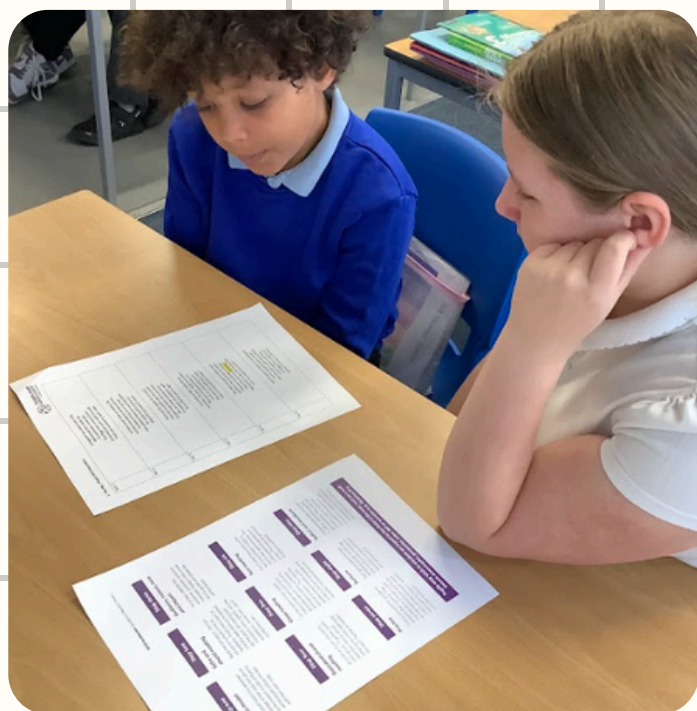

As part of our history topic, we had the opportunity to engage in an amazing experience through the Children's University. We participated in a series of excellent workshops and explored the events surrounding the Triple Trawler Tragedy.

In art, we have been experimenting with various techniques to produce collage art, such as marbling, automatic drawing, and sculpture.

This term, our Friday mornings have been full of excitement! We've had the chance to work with the Hull KR coaching team, who have supported us in developing our skills for track and field events and races.

This term we have introduced Readers theatre. A performance read that takes into account the audience, tone and purpose of the piece.

As part of our partnership with Hull KR, we had the chance to meet two players. As a class, we came up with five questions to ask the players.

# YEAR 5 BADGERS
