

# SUMMER 1 2025

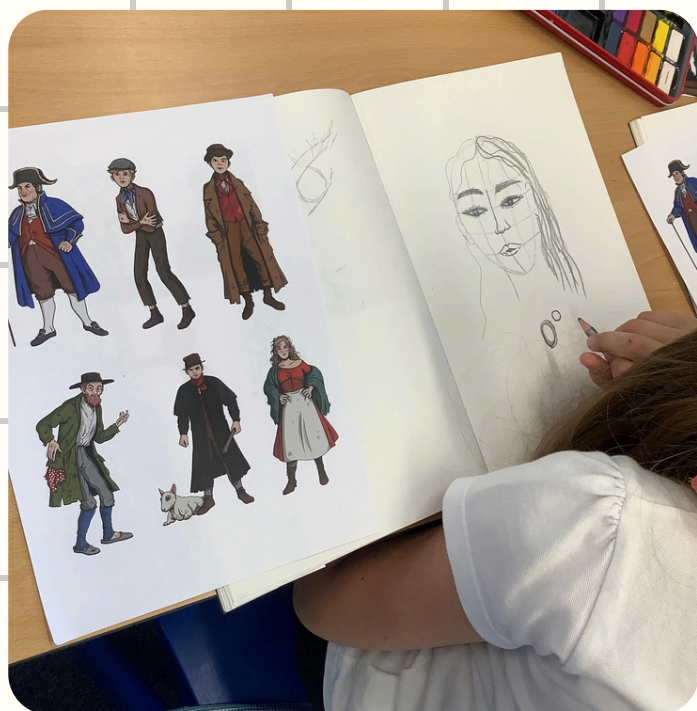

This half-term we have read Oliver Twist to inspire our writing. We have looked at different sentence structures to help us write, including a biography.

In Reading this half-term, we have read a variety of fiction and non-fiction texts. Thank you to all who came for our parent's morning.

In Maths, we have been revising different topic to help us prepare for SATs. We really enjoy a good maths treasure hunt to help make our learning fun.

Continuing with our Oliver theme, we had fun creating manga-style portraits of different Oliver characters during our art lessons.

As part of our partnership with Hull KR, we had the chance to meet two players. As a class, we came up with five questions to ask the players.

## YEAR 6 TAWNY OWLS
