

# SUMMER 2 2025

Our text has been Charlie and the Chocolate Factory which we have really enjoyed. We evaluated sweets and their packaging to help us to design our own sweet to persuade Willy Wonka to make.

We love choosing a book and reading for pleasure. Listening to our teacher reading at the end of the day is one of our favourite times.

We have been learning about the Ancient Egyptians which has been fascinating. We learnt how to mummify tomatoes to help our understanding of the mummification process.

We have been learning how to tell the time. We can tell the time to the nearest minute, read Roman numerals and read digital time.

We have loved being in the Rabbits class this year and we are looking forward to new challenges in Year 4.

# YEAR 3 RABBITS
